

# Climate Guide and Tourist Atlas of the European Union (27 Countries)

This comprehensive report contains a comparative analysis of the climate conditions and tourist specifics for all 27 member states of the European Union. The document is structured for testing semantic search, tabular data extraction, and metadata filtering in RAG systems.

## 1. Austria

### Climate Profile

- Summer period:** Warm and pleasant, average +20°C to +25°C, frequent afternoon thunderstorms in alpine regions.
- Winter period:** Cold with significant snowfall, especially in the Alps. Averages around -2°C to +3°C in lowlands.
- Features:** Alpine climate dominates the west and south, transitional central European climate in the east (Vienna).

### Top Cities in Austria

| City      | Max t° (record) | Min t° (record) | Optimal Period   | Recommended Activities                                                     |
|-----------|-----------------|-----------------|------------------|----------------------------------------------------------------------------|
| Vienna    | +38.5°C         | -21.4°C         | Apr-May, Sep-Oct | Palace tours (Schönbrunn), classical music concerts, coffee house culture. |
| Salzburg  | +37.7°C         | -26.8°C         | May-Sep, Dec     | Mozart's birthplace, Hohensalzburg Fortress, Christmas markets.            |
| Innsbruck | +37.4°C         | -23.8°C         | Dec-Mar, Jun-Aug | Winter sports, Nordkette cable car, Golden Roof viewing.                   |

## 2. Belgium

### Climate Profile

- Summer period:** Mild to warm, average +18°C to +23°C. Weather can be highly variable with sudden rain.
- Winter period:** Cool and damp, averages +1°C to +5°C. Snow is infrequent but possible, especially in the Ardennes.
- Features:** Temperate maritime climate. High annual rainfall distributed evenly throughout the year.

### Top Cities in Belgium

| City     | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                           |
|----------|--------------------|--------------------|-------------------|------------------------------------------------------------------|
| Brussels | +39.7°C            | -21.1°C            | May-Sep           | Grand Place, Atomium, tasting Belgian waffles and chocolate.     |
| Bruges   | +38.1°C            | -19.4°C            | Apr-Oct           | Canal boat tours, medieval architecture, Belfry of Bruges.       |
| Antwerp  | +40.4°C            | -18.8°C            | May-Sep           | Diamond district tours, Rubens House, Royal Museum of Fine Arts. |

## 3. Bulgaria

### Climate Profile

- **Summer period:** Hot and dry, especially inland and in the south. Averages +27°C to +32°C. Black Sea coast is warm and sunny.
- **Winter period:** Cold and snowy in the mountains (Balkan, Rila), milder on the coast. Averages -2°C to +4°C.
- **Features:** Transitional climate from temperate continental in the north to Mediterranean in the south.

### Top Cities in Bulgaria

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                             |
|---------|--------------------|--------------------|-------------------|--------------------------------------------------------------------|
| Sofia   | +41.2°C            | -27.5°C            | May-Sep           | Alexander Nevsky Cathedral, Vitosha mountain hiking, Roman ruins.  |
| Plovdiv | +45.0°C            | -23.6°C            | Apr-Oct           | Ancient Roman theatre, Old Town exploration, Kapana art district.  |
| Varna   | +41.4°C            | -24.3°C            | Jun-Aug           | Black Sea beach holidays, Sea Garden, Varna Archaeological Museum. |

## 4. Croatia

### Climate Profile

- **Summer period:** Hot and dry on the Adriatic coast (+28°C to +33°C), warm and continental inland (+25°C to +28°C).
- **Winter period:** Mild and rainy on the coast (+5°C to +10°C), cold and snowy inland (-3°C to +4°C).
- **Features:** Sharp divide between the Mediterranean climate of the coast and the continental climate of the Pannonian Plain.

### Top Cities in Croatia

| City      | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                  |
|-----------|--------------------|--------------------|-------------------|-------------------------------------------------------------------------|
| Zagreb    | +40.4°C            | -27.3°C            | May-Sep           | Upper Town (Gornji Grad), Museum of Broken Relationships, Dolac Market. |
| Dubrovnik | +37.7°C            | -7.0°C             | May-Oct           | Walking the City Walls, Game of Thrones tours, island hopping.          |
| Split     | +42.8°C            | -9.0°C             | Jun-Sep           | Diocletian's Palace, Marjan Hill hiking, Bačvice beach.                 |

## 5. Cyprus

### Climate Profile

- **Summer period:** Extremely hot and dry, averages +30°C to +36°C, often exceeding +40°C inland (Nicosia).
- **Winter period:** Mild and relatively rainy, +12°C to +17°C. Snow only occurs in the Troodos Mountains.
- **Features:** Subtropical Mediterranean climate. One of the warmest climates and warmest winters in the European Union.

### Top Cities in Cyprus

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period   | Recommended Activities                                           |
|---------|--------------------|--------------------|---------------------|------------------------------------------------------------------|
| Nicosia | +46.2°C            | -4.8°C             | Mar-May,<br>Oct-Nov | Cyprus Museum, Venetian walls, Ledra Street crossing.            |
| Paphos  | +39.6°C            | -1.2°C             | Apr-Nov             | Tomb of the Kings, Aphrodite's Rock, Paphos Archaeological Park. |

| City     | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                           |
|----------|--------------------|--------------------|-------------------|--------------------------------------------------|
| Limassol | +41.0°C            | -0.8°C             | May-Oct           | Limassol Marina, Limassol Castle, Kourion ruins. |

## 6. Czech Republic

### Climate Profile

- **Summer period:** Warm and moderately wet. Averages +22°C to +26°C. Heatwaves can push temperatures over +30°C.
- **Winter period:** Cold, cloudy, and snowy. Averages -3°C to +2°C. Mountains have reliable snow cover for skiing.
- **Features:** Classic temperate continental climate. Landlocked position means larger temperature differences between seasons.

### Top Cities in Czech Republic

| City          | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                             |
|---------------|--------------------|--------------------|-------------------|--------------------------------------------------------------------|
| Prague        | +37.8°C            | -27.6°C            | May-Sep           | Charles Bridge, Prague Castle, Old Town Square astronomical clock. |
| Brno          | +38.2°C            | -23.4°C            | May-Sep           | Villa Tugendhat, Špilberk Castle, Moravian Karst caves.            |
| Český Krumlov | +36.5°C            | -25.2°C            | May-Sep           | State Castle and Chateau, Vltava river rafting, historic center.   |

## 7. Denmark

### Climate Profile

- **Summer period:** Mild and pleasant, averages +18°C to +22°C. High humidity and frequent breezy conditions.
- **Winter period:** Cool, damp, and windy. Averages -1°C to +4°C. Snow is relatively rare and melts quickly.
- **Features:** Temperate oceanic climate. Influenced greatly by the sea, leading to mild winters and cool summers.

## Top Cities in Denmark

| City       | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                |
|------------|--------------------|--------------------|-------------------|-----------------------------------------------------------------------|
| Copenhagen | +33.8°C            | -24.2°C            | Jun-Aug           | Tivoli Gardens, Nyhavn waterfront, The Little Mermaid, cycling tours. |
| Aarhus     | +34.2°C            | -22.1°C            | Jun-Aug           | ARoS Art Museum, Den Gamle By (Old Town), Moesgaard Museum.           |
| Odense     | +34.1°C            | -21.6°C            | Jun-Aug           | Hans Christian Andersen Museum, Egeskov Castle, Odense Zoo.           |

## 8. Estonia

### Climate Profile

- **Summer period:** Comfortably warm with long daylight hours (White Nights). Averages +18°C to +22°C.
- **Winter period:** Cold, dark, and snowy. Averages -5°C to -1°C, but cold spells can drop below -20°C.
- **Features:** Transitional climate between maritime and continental. Baltic Sea mitigates extreme winter cold somewhat.

## Top Cities in Estonia

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                        |
|---------|--------------------|--------------------|-------------------|-------------------------------------------------------------------------------|
| Tallinn | +34.3°C            | -31.4°C            | Jun-Aug           | Old Town (Vanalinn), Toompea Hill, Kadriorg Palace, Telliskivi Creative City. |
| Tartu   | +35.2°C            | -35.8°C            | May-Sep           | Estonian National Museum, University of Tartu, Toome Hill.                    |
| Pärnu   | +33.4°C            | -32.7°C            | Jun-Aug           | Summer resort beaches, mud baths, Soomaa National Park (bog walking).         |

## 9. Finland

### Climate Profile

- **Summer period:** Mild to warm, average +18°C to +23°C. Midnight sun in the north. Great for lake holidays.

- **Winter period:** Long, cold, and snowy. South averages -4°C to -8°C; Lapland drops below -25°C. Polar night (kaamos) occurs.
- **Features:** Subarctic climate in the north, humid continental in the south. Known for thousands of lakes and dense forests.

## Top Cities in Finland

| City      | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                  |
|-----------|--------------------|--------------------|-------------------|-------------------------------------------------------------------------|
| Helsinki  | +33.2°C            | -34.3°C            | Jun-Aug           | Suomenlinna sea fortress, Design District, traditional public saunas.   |
| Tampere   | +33.1°C            | -35.8°C            | Jun-Aug           | Moomin Museum, Näsinneula observation tower, lakeside cottage retreats. |
| Rovaniemi | +32.2°C            | -45.3°C            | Nov-Mar           | Santa Claus Village, reindeer sledding, Northern Lights hunting.        |

# 10. France

## Climate Profile

- **Summer period:** Varies by region: hot/dry in the south (+27°C to +32°C), warm/mixed in the north and Paris (+22°C to +26°C).
- **Winter period:** Mild and rainy on the coasts, colder inland. Alps and Pyrenees have heavy snow and freezing temperatures.
- **Features:** Highly diverse climate: oceanic in the west, Mediterranean in the south, continental in the east, alpine in mountains.

## Top Cities in France

| City  | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                             |
|-------|--------------------|--------------------|-------------------|------------------------------------------------------------------------------------|
| Paris | +42.6°C            | -23.9°C            | Apr-Jun, Sep-Oct  | Eiffel Tower, Louvre Museum, Seine river cruises, Montmartre.                      |
| Nice  | +37.7°C            | -7.2°C             | May-Sep           | Promenade des Anglais, French Riviera beaches, Marc Chagall Museum.                |
| Lyon  | +40.5°C            | -24.6°C            | May-Oct           | Gastronomic tours (Bouchons), Basilica of Notre-Dame de Fourvière, Roman theatres. |

# 11. Germany

## Climate Profile

- **Summer period:** Warm and occasionally humid, averages +22°C to +26°C. Southern regions (Bavaria) can be hotter.
- **Winter period:** Cool and cloudy, averages -2°C to +3°C. Snow is common in the east and south, less frequent in the west.
- **Features:** Temperate seasonal climate. Influenced by Atlantic winds in the northwest and continental air masses in the east.

## Top Cities in Germany

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal Period                    | Recommended Activities                                                    |
|---------|--------------------|--------------------|-----------------------------------|---------------------------------------------------------------------------|
| Berlin  | +38.9°C            | -26.0°C            | May-Sep                           | Brandenburg Gate, Museum Island, Berlin Wall Memorial, vibrant nightlife. |
| Munich  | +37.5°C            | -29.0°C            | Sep-Oct<br>(Oktoberfest), May-Aug | Marienplatz, English Garden, BMW Museum, Neuschwanstein Castle trips.     |
| Hamburg | +37.3°C            | -29.1°C            | May-Sep                           | Miniatur Wunderland, Elbphilharmonie, Port of Hamburg boat tours.         |

# 12. Greece

## Climate Profile

- **Summer period:** Extremely dry and hot. Average daytime temperatures are +32°C to +38°C. Meltemi winds cool the islands.
- **Winter period:** Mild and rainy on islands (+10°C to +15°C). Northern mainland can experience snow and sub-zero temperatures.
- **Features:** Classic subtropical Mediterranean climate. Almost completely rainless from June to August.

## Top Cities in Greece

| City   | Max t°<br>(record) | Min t°<br>(record) | Optimal Period | Recommended Activities                                                       |
|--------|--------------------|--------------------|----------------|------------------------------------------------------------------------------|
| Athens | +48.0°C            | -10.4°C            | Apr-May, Oct   | Acropolis and Parthenon, Plaka neighborhood, National Archaeological Museum. |

| City              | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                    |
|-------------------|--------------------|--------------------|-------------------|---------------------------------------------------------------------------|
| Thessaloniki      | +44.0°C            | -14.0°C            | May-Oct           | White Tower, Byzantine churches, Aristotelous Square, rich local cuisine. |
| Heraklion (Crete) | +45.7°C            | -0.8°C             | May-Oct           | Palace of Knossos, Heraklion Archaeological Museum, Venetian Kouros.      |

## 13. Hungary

### Climate Profile

- **Summer period:** Very warm to hot, often sunny. Averages +26°C to +30°C. Lake Balaton water temperatures reach +25°C.
- **Winter period:** Cold, cloudy, and sometimes snowy. Averages -3°C to +2°C. Cold winds from the east are common.
- **Features:** Continental climate enclosed by the Carpathian Basin. High temperature amplitude between summer and winter.

### Top Cities in Hungary

| City     | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                       |
|----------|--------------------|--------------------|-------------------|------------------------------------------------------------------------------|
| Budapest | +40.1°C            | -25.6°C            | May-Sep           | Thermal baths (Széchenyi), Parliament Building, Buda Castle, Ruin bars.      |
| Debrecen | +40.5°C            | -30.2°C            | May-Sep           | Great Protestant Church, Hortobágy National Park (Puszta), Flower Carnival.  |
| Szeged   | +40.3°C            | -29.5°C            | May-Sep           | Votive Church, Tisza River walks, tasting authentic Pick Salami and paprika. |

## 14. Ireland

### Climate Profile

- **Summer period:** Mild and pleasant, averages +16°C to +20°C. Seldom gets excessively hot. Rainfall is still common.
- **Winter period:** Cool, wet, and windy, averages +4°C to +8°C. Frost is common, but significant snow is rare.

- **Features:** Temperate oceanic climate dominated by the Atlantic Ocean. Known for rapid weather changes and lush green landscapes.

## Top Cities in Ireland

| City   | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                      |
|--------|--------------------|--------------------|-------------------|-----------------------------------------------------------------------------|
| Dublin | +33.0°C            | -15.6°C            | May-Sep           | Guinness Storehouse, Trinity College (Book of Kells), Temple Bar district.  |
| Galway | +31.5°C            | -13.2°C            | Jun-Aug           | Cliffs of Moher tours, live traditional music pubs, Latin Quarter.          |
| Cork   | +30.0°C            | -12.8°C            | Jun-Aug           | Blarney Castle (kissing the Blarney Stone), English Market, Kinsale harbor. |

## 15. Italy

### Climate Profile

- **Summer period:** Hot and dry in the south and center (+30°C to +35°C), warm and humid in the northern Po Valley (+28°C to +32°C).
- **Winter period:** Mild in the south (+10°C to +15°C), cold, damp, and foggy in the north (+1°C to +5°C), heavy snow in the Alps.
- **Features:** Highly diverse: Mediterranean in the peninsula, humid subtropical in the north, alpine in the mountainous borders.

## Top Cities in Italy

| City   | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period   | Recommended Activities                                                             |
|--------|--------------------|--------------------|---------------------|------------------------------------------------------------------------------------|
| Rome   | +42.9°C            | -11.0°C            | Apr-May,<br>Sep-Oct | Colosseum, Vatican City, Pantheon, Trevi Fountain.                                 |

| Venice | +38.0°C            | -13.6°C            | Apr-May,<br>Sep     | Grand Canal gondola rides, St. Mark's Basilica, Doge's Palace.                     |

## 16. Latvia

### Climate Profile

- **Summer period:** Warm and sunny with occasional rain. Averages +18°C to +23°C. Ideal for coastal tourism.
- **Winter period:** Cold, gloomy, and snowy. Averages -5°C to -1°C, dropping to -20°C during cold fronts.
- **Features:** Temperate transitional climate. Coastal areas (Liepāja, Ventspils) are milder than the eastern inland (Daugavpils).

### Top Cities in Latvia

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                     |
|---------|--------------------|--------------------|-------------------|----------------------------------------------------------------------------|
| Riga    | +34.5°C            | -34.9°C            | May-Sep           | Art Nouveau architecture, Riga Central Market, Old City (Vecrīga).         |
| Jūrmala | +33.7°C            | -32.1°C            | Jun-Aug           | White quartz sand beaches, historic wooden villas, Dzintari forest park.   |
| Sigulda | +34.2°C            | -35.0°C            | May-Oct           | Gauja National Park, Turaida Castle, bobsleigh track, autumn leaf viewing. |

## 17. Lithuania

### Climate Profile

- **Summer period:** Pleasantly warm, averages +20°C to +25°C. Short but intense summer season with frequent late-afternoon showers.
- **Winter period:** Cold and snowy, averages -6°C to -2°C. Inland areas experience harsher winters than the Baltic coast.
- **Features:** Transitional climate. Features a beautiful Curonian Spit microclimate on the coast.

### Top Cities in Lithuania

| City    | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                              |
|---------|--------------------|--------------------|-------------------|---------------------------------------------------------------------|
| Vilnius | +35.4°C            | -37.2°C            | May-Sep           | Gediminas' Tower, Užupis Republic (art district), Baroque Old Town. |
| Kaunas  | +35.3°C            | -36.3°C            | May-Sep           | Kaunas Castle, Devil's Museum, Modernist Interwar architecture.     |

| City     | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                         |

| Klaipėda | +34.0°C            | -33.4°C            | Jun-Aug           | Gateway to the Curonian Spit, Lithuanian Sea Museum, Old Mill. |

## 18. Luxembourg

### Climate Profile

- **Summer period:** Warm and temperate, averages +20°C to +25°C. Evenings can remain cool.
- **Winter period:** Cold and damp, averages -1°C to +4°C. Snowfalls are frequent but rarely deep or persistent.
- **Features:** Modified continental climate. The northern Oesling region is slightly colder and wetter than the southern Gutland.

### Top Cities in Luxembourg

| City            | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                          |
|-----------------|--------------------|--------------------|-------------------|---------------------------------------------------------------------------------|
| Luxembourg City | +39.0°C            | -20.2°C            | May-Sep           | Bock Casemates, Grand Ducal Palace, Grund lower town.                           |
| Echternach      | +38.5°C            | -21.0°C            | May-Sep           | Abbey of Echternach, Mullerthal Trail (Little Switzerland), dancing procession. |
| Vianden         | +38.0°C            | -22.5°C            | May-Sep           | Vianden Castle, Victor Hugo House, chairlift over the Our river.                |

## 19. Malta

### Climate Profile

- **Summer period:** Hot, humid, and rainless. Averages +30°C to +34°C. Sea temperatures are excellent for swimming until November.
- **Winter period:** Very mild and occasionally stormy/rainy. Averages +12°C to +17°C. Frost and snow are practically unknown.
- **Features:** Mediterranean climate with strong North African influences. Winters are among the warmest in Europe.

### Top Cities in Malta

| City               | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                                   |
|--------------------|--------------------|--------------------|-------------------|------------------------------------------------------------------------------------------|
| Valletta           | +42.7°C            | +1.4°C             | Apr-Nov           | St. John's Co-Cathedral, Upper Barrakka Gardens, Grand Harbour tours.                    |
| Mdina              | +42.0°C            | +1.0°C             | Apr-Nov           | Exploring the 'Silent City', St. Paul's Cathedral, viewing the island from the bastions. |
| Victoria<br>(Gozo) | +41.5°C            | +1.5°C             | May-Oct           | The Cittadella, Ggantija temples, diving and snorkeling on Gozo island.                  |

## 20. Netherlands

### Climate Profile

- **Summer period:** Pleasantly warm, averages +20°C to +24°C. Heatwaves are becoming more common, occasionally pushing +35°C.
- **Winter period:** Cool, damp, and windy. Averages +1°C to +6°C. Canals freeze during severe winters (allowing ice skating), but it's rare now.
- **Features:** Temperate maritime climate. Flat topography means winds from the North Sea sweep across the entire country easily.

### Top Cities in Netherlands

| City          | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                 |
|---------------|--------------------|--------------------|-------------------|------------------------------------------------------------------------|
| Amster<br>dam | +36.3°C            | -19.7°C            | Apr-Sep           | Rijksmuseum, Van Gogh Museum, Anne Frank House, canal cruises.         |
| Rotterd<br>am | +37.1°C            | -18.8°C            | May-Sep           | Modern architecture (Cube Houses), Erasmus Bridge, Markthal, Euromast. |
| The<br>Hague  | +36.5°C            | -18.5°C            | May-Sep           | Mauritshuis museum, Binnenhof, Peace Palace, Scheveningen beach.       |

## 21. Poland

### Climate Profile

- **Summer period:** Warm to hot, averages +22°C to +28°C. Frequent sunny days interrupted by heavy thunderstorms.
- **Winter period:** Cold and snowy. Averages -5°C to +1°C. The eastern and southern mountainous regions are significantly colder.
- **Features:** Temperate transitional climate. Weather can be highly unpredictable depending on whether oceanic or Russian continental air masses dominate.

### Top Cities in Poland

| City   | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                                   |
|--------|--------------------|--------------------|-------------------|------------------------------------------------------------------------------------------|
| Warsaw | +38.0°C            | -30.7°C            | May-Sep           | Old Town reconstruction, Warsaw Uprising Museum, Łazienki Park, Chopin concerts.         |
| Kraków | +37.3°C            | -32.9°C            | May-Oct           | Wawel Royal Castle, Main Square (Rynek Główny), Auschwitz-Birkenau day trips, Salt Mine. |
| Gdańsk | +36.0°C            | -27.4°C            | Jun-Aug           | European Solidarity Centre, Museum of the Second World War, Old Town, amber shopping.    |

## 22. Portugal

### Climate Profile

- **Summer period:** Hot and dry in the south and interior (+28°C to +35°C), warm and breezy on the west coast (+24°C to +28°C).
- **Winter period:** Mild and rainy on the coast (+10°C to +15°C), cooler inland. The Algarve region stays very mild.
- **Features:** Mediterranean climate strongly influenced by the Atlantic Ocean, keeping the coastal areas slightly cooler than Spain.

### Top Cities in Portugal

| City   | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period   | Recommended Activities                                                        |

| Cluj-<br>Napoca | +38.0°C            | -34.2°C            | May-Sep             | St. Michael's Church, Hoia Baci Forest, Salina Turda underground theme park.        |

## 24. Slovakia

### Climate Profile

- **Summer period:** Warm in the lowlands (+25°C to +29°C), cooler in the High Tatras. Strong sunshine and occasional storms.
- **Winter period:** Cold, cloudy, and snowy. Averages -4°C to +1°C. Excellent winter sports conditions in the mountainous north.

- **Features:** Severe continental climate. The High Tatras create a barrier, causing significant local weather variations.

## Top Cities in Slovakia

| City       | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period   | Recommended Activities                                                           |
|------------|--------------------|--------------------|---------------------|----------------------------------------------------------------------------------|
| Bratislava | +39.4°C            | -24.6°C            | May-Sep             | Bratislava Castle, UFO Observation Deck, Old Town statues (Čumil), Devín Castle. |
| Košice     | +38.5°C            | -27.3°C            | May-Sep             | St. Elisabeth Cathedral, Singing Fountain, historical main street.               |
| Poprad     | +34.2°C            | -30.6°C            | Dec-Mar,<br>Jun-Sep | Gateway to the High Tatras, AquaCity thermal baths, hiking and skiing.           |

# 25. Slovenia

## Climate Profile

- **Summer period:** Warm inland (+24°C to +28°C), hot on the short Adriatic coast, cool in the Julian Alps.
- **Winter period:** Cold and snowy in the Alps and central valleys (-3°C to +2°C), mild on the coast (+4°C to +8°C).
- **Features:** A miniature Europe regarding climate: merges Alpine, Mediterranean, and Continental climates in a small area.

## Top Cities in Slovenia

| City      | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                                                        |
|-----------|--------------------|--------------------|-------------------|-----------------------------------------------------------------------------------------------|
| Ljubljana | +38.0°C            | -20.3°C            | May-Sep           | Ljubljana Castle, Triple Bridge, Tivoli City Park, Dragon Bridge.                             |
| Bled      | +35.5°C            | -23.5°C            | May-Sep           | Lake Bled island church, Bled Castle, Triglav National Park hiking, eating Kremna rezina.     |
| Piran     | +37.2°C            | -6.8°C             | Jun-Sep           | Venetian Gothic architecture, Tartini Square, St. George's Parish Church, coastal relaxation. |

## 26. Spain

### Climate Profile

- **Summer period:** Extremely hot in the center and south (+30°C to +40°C+). Mild and green in the north (Galicia, Basque Country).
- **Winter period:** Mild on the Mediterranean coast (+12°C to +17°C). Cool inland with night frosts. Snow in the Pyrenees.
- **Features:** Dominated by the Mediterranean climate, but the central plateau (Meseta) experiences harsh continental extremes.

### Top Cities in Spain

| City      | Max t°<br>(record) | Min t°<br>(record) | Optimal<br>Period | Recommended Activities                                              |
|-----------|--------------------|--------------------|-------------------|---------------------------------------------------------------------|
| Madrid    | +42.2°C            | -10.1°C            | May, Sep-Oct      | Prado Museum, Retiro Park, Royal Palace, tapas in La Latina.        |
